

## School Safety and Security

The staff at Emmanuel Lutheran Pre-School is committed to providing a safe and secure environment for your child while attending pre-school. We have met with a representative of the Elyria Police Department and reviewed possible responses to emergency situations and also new emergency response plans regarding crisis guidelines, intruder lockdown, and evacuation. The new procedures have been implemented for the safety and security of your child. The pre-school staff will take the necessary precautions in regard to responses to emergency and crisis situations, but our actions will be determined by either the Elyria City Police Department, Elyria, City Fire Department, or 911. Our goal will be to always keep the children safe from any harm at pre-school; consequently any response plan may change depending on the situation and the authorities. It is very important that the children know they are safe here at pre-school. By being prepared for any type of emergency, the pre-school staff hopes to maintain a composed demeanor which in return will provide a greater sense of security for your child. If you have any questions concerning school safety and security issues, please contact a teacher or the director of the pre-school.
